Dear BCS Families,

I hope that Day 1 of online distance learning went well for everyone! The overall feedback from staff and families was positive. Please know that the staff is going to be very patient and flexible during the entirety of our online learning time. I have encouraged staff to limit the amount of assignments that require printing at home and to be mindful that something that normally takes 20 minutes to complete at school may take longer at home. The staff appreciates everything you are doing at home to balance your own jobs, daily life, and now online learning.

If you have any questions or concerns, please reach out to the classroom teacher(s), Mrs. Szafran jszafran@boltonct.org , or Mr. Giard dgiard@boltonct.org .

Sincerely,

Darryl T. Giard

Principal
